Food | Music | Posters | Presentations | & More!

Keynote Address:

“Global Mental Health: Innovation through Self and System Transformation”

Dr. Arlene MacDougall

Dr. MacDougall is the Director of Global MINDS @ Western, a platform for mindful social innovation and transdisciplinary and radical collaborations for mental health system transformation at the Schulich School of Medicine & Dentistry.

She is also Director of Research in the Department of Psychiatry and Assistant Professor in the Departments of Psychiatry and Epidemiology & Biostatistics.

We are grateful to our supporters:

The Africa Institute, Health Information Sciences, School of Health Studies, Faculty of Health Sciences, Schulich School of Medicine & Dentistry, Western International
